Real estate is a legal term (in some jurisdictions, such as the United Kingdom, Canada, Australia, USA and The Bahamas) that encompasses land along with improvements to the land, such as buildings, fences, wells and other site improvements that are fixed in location—immovable. Real estate law is the body of regulations and legal codes which pertain to such matters under a particular jurisdiction and include things such as commercial and residential real property transactions. Real estate is often considered synonymous with real property (sometimes called realty), in contrast with personal property (sometimes called chattel or Personality under chattel law or personal property law).

Business Networking or Multi Level Marketing :

The MLM Plan we provided is very easy and basic to understand. Precisely, with our MLM Plan the distributors can counterpart which leads to success and completion of the heads. This is considered to be the best way of accomplishing their networking business

Online Trading :

We used to find it so frustrating when reading books and listening to top traders telling me how easy it was to make money trading. We suppose when you haven't seen it first hand it can be a hard pill to swallow. The truth is that once you "get it" it really isn't that hard. You don't need to be smart or have special skills or abilities

•Export & Import :

Import export businesses, also known as international trading, are one of the hottest commercial trends of this decade. American companies trade in over 2.5 million dollars a year in merchandise, of which small businesses control over 95 % Approx.

We are looking forward to establish a brand value in the international market with few different product in the national & international market. Abir Group is associate with “Pixelage India “with the products which are highlighted below for national and international markets with their product quality and high class designs.
